

LC

—
2020 LEXUS

Obsessively designed.
Methodically engineered.
Passionately crafted.

Experience the fusion of refined
luxury and peak performance.

The 2020 Lexus LC

LC 500

Experience a world-class luxury coupe crafted for an era of uncompromising performance and design. A platform built specifically for the LC, a highly rigid chassis, an exhilarating zero-to-60 time^{1,2} and a thundering engine note all come together to connect you to the road like never before.

LC 500h

Experience a profound shift in hybrid performance. Hit the pedal and feel the roar as the breakthrough Lexus Multistage Hybrid Drive pairs a potent gas engine with powerful electric motors to put on a truly invigorating performance—and put the entire category on notice.

LC shown in Atomic Silver

A dynamic, low body with menacing, wide shoulders. An aggressive, broad stance. An impossibly low center of gravity. Every design note is engineered to provide direct, responsive performance. With four air intakes and rear aero ducts to help reduce lift and drag, even the air itself contributes to the high-speed handling. By bringing all these elements together, the LC stands apart.

LC shown in Ultra White (left), LC shown in Ultra White (right)

A MONUMENTAL LEAP

The obsessively crafted
Lexus LC is more than a car.
It's a feeling.

To bring a breakthrough concept vehicle into reality, we had to go to extremes. To engineer a car that conquers every corner as well as rewards the driver, we took every detail even further.

LCh shown in Infrared³

UNPRECEDENTED PERFORMANCE

The LC boasts one of the most powerful naturally aspirated 5.0-liter V8 engines available, for a truly visceral experience.

All that power means nothing if it doesn't make you feel something. With an impressive 5.0-liter V8 engine, 471 horsepower,¹ and a blistering 4.4-second zero-to-60 time,^{1,2} the LC 500 is finely tuned to give the driver a full-throttle experience. Take it up to its 7,300-rpm redline, and the Active Sport Exhaust delivers a potent, full-throated engine howl unlike anything you've ever heard. Or felt.

A 10-speed Direct-Shift automatic transmission with magnesium paddle shifters was specifically designed for the LC. This exclusive transmission has one of the fastest shift times among conventional automatic transmissions,⁴ changing gears in 0.12 seconds. Or, half the time it takes the average human to blink. The system also learns your habits every time you drive, selecting the optimum gear based on vehicle speed, acceleration and your driving habits—even choosing the ideal gear while cornering.

LCh shown in Ultra White (left), LC shown in Obsidian (right)

LCh shown in Nightfall Mica

THE POWER TO CONTROL

A near-perfect weight balance so you don't have to sacrifice power for control.

Experience the front-engine, rear-wheel drive platform developed specifically for the LC. Uniting dynamic proportions with ground-hugging luxury coupe elegance, the front-midship design with a multilink suspension system delivers the ideal balance in every way—from the near-perfect weight distribution to the combination of exceptional handling, stability and ride comfort. Such equilibrium was achieved by placing the engine's central mass behind the front axle, positioning the wheels close to the vehicle's outer edges, and lowering the hood height and driving position. And, when combined with additional features like available Active Rear Steering and a rear wing that extends at speeds above 50 mph to enhance downforce, the result is one of the most direct, precise driving experiences we've ever created—and that you will ever encounter.

NO MEASURE TOO EXTREME

Masterfully crafted, then relentlessly tested and scrutinized to deliver a groundbreaking vehicle that lays the groundwork for the future of Lexus high performance.

The LC wasn't just about creating the definitive performance car; it was about redefining performance for Lexus. Which meant going to extremes. Decades of *takumi* craftsmanship and a tradition of relentless engineering and refinement were taken even further. Everything was pushed to the limit to deliver this high-performance, high-strength coupe. A high-tensile steel chassis was built to lower the driving position by just 10 millimeters. Intake valves were made of titanium to make them a few grams lighter. An available carbon fiber roof was developed to lower the vehicle's center of gravity. Lightweight carbon fiber-reinforced sheet-molding compound allowed the complex shape of the inner doors to be molded as a single piece, and the outer doors were engineered with 6000-series aluminum that's 47% lighter than its steel counterpart. Materials were evaluated by weight, strength, mass and optimal placement. And then reevaluated for one purpose—the driver's connection to the road.

FAST AS **h**

Feel the adrenaline as lightning-fast electric motors and a powerful gas engine propel you to 60 miles per hour in a mere 4.7 seconds.^{1,2}

It's a difference you'll feel instantaneously. The LC 500h is built on an advanced Lexus Multistage Hybrid powertrain—a 3.5-liter, 24-valve V6, powerful yet compact electric motors and a lightweight lithium-ion battery. With 354 total system horsepower¹ and thrilling response off the line, the LC 500h signals a major shift in the category. You'll feel the rush of instant torque the moment you press the pedal, and continuous, seamless acceleration that increases as the engine power and vehicle speed climb. Along with the instinctive feel of a 10-speed transmission through magnesium paddle shifters, the impact of our most responsive, fastest and highest-performance hybrid will be felt through the entire category. Because there's more to h than hybrid.

LCh shown in Atomic Silver

A study in uninhibited passion and exhilaration, the LC demanded a completely different approach to design and engineering. A single character line that took months to perfect. A total of 700 individual engineering checkpoints verified by two of our most skilled craftsmen. An available high-back sport seat that required over 50 prototypes to achieve the ideal driving posture. Any sacrifice of design or performance was unacceptable. The driving experience ultimately had to be as inspiring as the final form.

A REVOLUTIONARY APPROACH

Every step of the design and engineering process demanded everything from our engineers, who demanded nothing less than amazing.

LC shown in Nightfall Mica

ABSOLUTE PRECISION

An unwavering attention to detail, impeccable materials and countless hours crafting the LC not just for how it feels, but for how it makes you feel.

No detail was spared when creating the LC. The painstakingly crafted steering wheel, which provides optimal grip when cornering, is the result of countless hours of testing and track development with Lexus *takumi* masters. Alcantara^{®5}-trimmed door panels with deep, flowing lines form a distinctive look and feel. A leather-trimmed shift knob was crafted from four strips of high-quality leather that were then meticulously hand-sewn. And ambient illumination accentuates the bold contours and details throughout the cabin. To take interior comfort even further, a Climate Concierge system integrates climate control, heated and ventilated seating as well as an available heated steering wheel. Every element of the LC was carefully considered to elevate the driver's connection to the road. Even the alignment of the driver's hip point with the vehicle's center of gravity was studied carefully. Because extreme craftsmanship isn't only about creating an exceptional finished product. It's about creating an even more exceptional feeling when you get behind the wheel.

LC shown with Toasted Caramel leather interior trim

AVANT-GARDE IS IN THE DETAILS

PREMIUM TRIPLE-BEAM LED HEADLAMPS

The triple-projector ultra-compact LED headlamps are more than striking. They're among the thinnest LED projector headlamps in the industry.⁴ Half the size of conventional lamps, the polaric ellipsoid system combines with the daytime running lights and LED cornering lamps to create an unmistakable Lexus signature.

21-INCH FORGED ALLOY WHEELS

Available 21-inch forged alloy wheels⁶ offer a lightweight design, Gloss Black accents and a polished finish.

FLUSH EXTERIOR DOOR HANDLES

A flush-surface door handle with illumination enhances aerodynamics and creates a sophisticated first impression. When the handle is extended outward, inset LEDs illuminate the door. As the doors close, or after 15 seconds, the lighting fades.

DIMENSIONAL REAR COMBINATION TAILLAMPS

One of the most stunning features of any Lexus vehicle to date, the dimensional taillamps were inspired by the dramatic glow of a jet's afterburners. Through the adoption of the infinity mirror principle, an endless, dimensional motif is illuminated when lamps are on, and a sleek gray look appears when off. Eighty LEDs on either side create an even illumination with impressive depth and no visible grain.

LCh shown with Bespoke White leather interior trim

A TECHNOLOGICAL FEAT

With access to more apps and thousands of Amazon Alexa skills, the LC keeps you even more connected to the driving experience.

With Amazon Alexa⁷ compatibility, thousands of the same skills you enjoy at home can now be conveniently accessed in your vehicle. While Lexus Enform⁸, our premium suite of connected technology, offers added service, security, entertainment and remote access⁹ through your smartphone or smartwatch.

LC shown with Apple CarPlay^{®10} integration and Rioja Red leather interior trim

THE LEADING EDGE. OF YOUR SEAT.

APPLE CARPLAY

With Apple CarPlay integration, you can access the same familiar interface from your iPhone^{®11} through a 10.3-inch multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,^{®12} and get access to your favorite apps like Waze, Spotify[®] and Apple Audiobooks.^{TM13}

AMAZON ALEXA

Bring all the convenience of Amazon Alexa⁷ on the road with the Lexus+Alexa¹⁴ app. Using only your voice, you can easily access thousands of the same skills you get with Alexa at home. Listen to audiobooks, stream Amazon Music,⁷ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa even syncs to your Navigation System¹⁵ to provide on-the-go recommendations.

LEXUS ENFORM

Lexus Enform⁸ elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-FiTM to the ability to start your engine remotely⁹ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa⁷ built-in devices, or the Lexus action on Google AssistantTM-enabled¹⁶ devices, our premium suite of connected technology offers peace of mind with every drive.

MARK LEVINSON[®] AUDIO SYSTEM

While most audio systems are adapted to and installed in a vehicle after it's produced, Mark Levinson^{®17} technicians work alongside Lexus engineers from the outset of the development process. That's why the LC offers a rich, dynamic, 13-speaker, 915-watt sound stage uniquely fitted to the cabin—and as pure as the performance of the vehicle itself.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®18} Learn more about these complimentary services at lexus.com/specialists.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+, an integrated suite of the most advanced active safety equipment ever offered on the LC.¹⁹

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

This system²⁰ is engineered to help detect a vehicle or a pedestrian²¹ in the path of your Lexus under certain conditions. Should it detect a potential frontal collision, it's designed to automatically prepare Brake Assist²² for increased brake force and, in some cases, can even automatically brake the vehicle to a stop.

LANE DEPARTURE ALERT WITH LANE KEEP ASSIST

This system²³ utilizes a camera to monitor visible lane markings. If an inadvertent or potential lane departure is detected, it's designed to warn you and can take slight corrective measures. And, if Dynamic Radar Cruise Control²⁴ is engaged, the system can even help you remain in the center of the visibly marked lane, helping to prevent drifting before it occurs.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system²⁴ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams²⁵ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

LEXUS SAFETY SYSTEM +

LC shown in Ultra White

LC STYLES

LC 500

Standard on every LC:

- Adaptive Variable Suspension
- Vehicle Dynamics Integrated Management²⁶
- Drive Mode Select with Sport S/S+ modes
- Active Sport Exhaust (LC 500 only)
- Aluminum pedals
- Magnesium paddle shifters
- LFA-inspired instrumentation including G-meter
- Navigation System¹⁵ with 10.3-in color LCD multimedia display
- Remote Touchpad²⁷
- Lexus Enform App Suite 2.0⁸
- Lexus Enform Safety Connect²⁸ and Service Connect²⁸ Included for the first 10 years of ownership.
- Lexus Enform Remote⁹ app with Amazon Alexa⁷ and Google Assistant^{TM16} compatibility. Included for the first year of ownership.
- Lexus Enform Destination Assist²⁹ Included for the first year of ownership.
- Lexus Enform Wi-Fi. 4GB/one-year trial³⁰ is included.
- Lexus Enform Dynamic Navigation^{8,31} Included for up to the first three years of ownership.
- Apple CarPlay^{®10} integration
- Amazon Alexa⁷ compatibility
- Dynamic Voice Command³¹
- Lexus 12-speaker Premium Audio System
- Bluetooth^{®32} and USB³³ smartphone connectivity
- Dual-zone climate control with Climate Concierge
- Heated and ventilated power-adjustable front seats
- SmartAccess^{34,35} with push-button Start/Stop
- Glass roof with sunshade
- Flush exterior door handles
- Premium Triple-Beam LED headlamps
- LED taillamps and turn signals
- Lexus Safety System+¹⁹ (Pre-Collision System²⁰ with Pedestrian Detection,²¹ Lane Departure Alert²³ with Lane Keep Assist, All-Speed Dynamic Radar Cruise Control²⁴ and Intelligent High Beams²⁵)
- Blind Spot Monitor³⁶ with Rear Cross-Traffic Alert³⁷
- Eight airbags³⁸
- Backup camera³⁹
- Complimentary maintenance services (please refer to the *Warranty and Services Guide* for details)

LC 500h

Includes LC 500 features, plus:

- Lexus Multistage Hybrid Drive
- 20-in forged alloy wheels⁶ with polished finish

PACKAGES

TOURING PACKAGE

- Semi-aniline leather-trimmed front seats
- Alcantara^{®5} headliner
- Mark Levinson^{®17} 13-speaker, 915-watt Reference Surround Sound Audio System
- Intuitive Parking Assist⁴⁰

SPORT PACKAGE

- A Carbon fiber or glass roof
- Eight-way power-adjustable front sport seats with Alcantara[®] inserts
- TORSEN^{®41} limited-slip rear differential
- 20-inch staggered-width 10-spoke forged alloy wheels⁶ with polished finish or 21-inch staggered-width split-five-spoke forged alloy wheels⁶ with polished finish and Gloss Black accents
- Intuitive Parking Assist⁴⁰

PERFORMANCE PACKAGE

Includes Sport Package (with carbon fiber roof), and adds or replaces:

- Active Rear Steering
- Variable Gear-Ratio Steering
- Speed-activated rear wing
- Alcantara[®] headliner
- Carbon fiber door scuff plates
- 21-inch staggered-width split-five-spoke forged alloy wheels⁶ with polished finish and Gloss Black accents

ALL-WEATHER PACKAGE

- B Heated leather-trimmed steering wheel
- Windshield wiper de-icer
- Electronic heater (LC 500h only)

OPTIONS

- TORSEN^{®41} limited-slip rear differential
- C Head-Up Display
- Mark Levinson^{®17} 13-speaker, 915-watt Reference Surround Sound Audio System
- Intuitive Parking Assist⁴⁰

- E Spider cargo net

DISCLOSURES

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Hybrid System Warranty. All warranties with zero deductible. See the *LC Warranty and Services Guide* at your Lexus dealer for details.

1. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **2.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **3.** Infrared available for an additional charge. **4.** 2020 LC vs. 2019/2020 competitors. Information from manufacturers' websites as of 1/25/2019. **5.** Alcantara is a registered trademark of Alcantara S.p.A. **6.** 20- or 21-inch performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 15,000 miles, depending upon tire used and driving conditions. **7.** Amazon, Alexa, Amazon Music and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain Alexa functionality is dependent on smart home technology. Not all Amazon Alexa functionality is available for in-vehicle use. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **8.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See lexus.com/enform for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacytvs/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **9.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Registration and app download are required. App and services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual*. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacytvs/>. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **10.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay[®] functionality requires a compatible iPhone[®] tethered with an approved data cable into the USB media port. Apple CarPlay is a trademark of Apple Inc. **11.** iPhone is a registered trademark of Apple Inc. All rights reserved. **12.** Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc. **13.** Apple Audiobooks is a trademark of Apple Inc. All rights reserved. Spotify is a registered trademark of Spotify Technology Holding. Waze and Waze logo are registered trademarks of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **14.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use. The Lexus+Alexa app requires an Android[™] smartphone using version 5.0 and above. App download required. Skills and services subject to change at any time without notice. **15.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the Navigation System are dependent upon many factors. Use common sense when relying on information provided. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See lexus.com for details. Services and programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **16.** Google is a trademark of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **17.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **18.** FaceTime is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **19.** LSS+ drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. LSS+ system effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **20.** The LSS+ Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **21.** The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **22.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **23.** Lane Departure Alert with Lane Keep Assist is designed to read visible lane markers under certain conditions when DRCC is engaged. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **24.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **25.** Intelligent High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **26.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **27.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **28.** The Safety and Service Connect trial periods are at no extra cost and both begin on the original date of purchase or lease of a new vehicle. After the trial periods expire, enrollment in paid subscription is required to access the services. Terms and conditions apply. Lexus Enform services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See lexus.com/enform for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacytvs/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **29.** Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Use common sense when relying on this information. Apps and services subject to change at any time without notice. See lexus.com/enform for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacytvs/>. See *Owner's Manual* for additional limitations and details. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. **30.** The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **31.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Dynamic Navigation and Dynamic Voice Command are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacytvs/>. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See *Navigation System Owner's Manual* for additional limitations and details. See lexus.com/enform for details. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscriber agreement apply. **32.** Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **33.** May not be compatible with all mobile phones, MP3/WMA players and like models. **34.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **35.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aaol.com. **36.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **37.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **38.** All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **39.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **40.** Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **41.** TORSEN[®] is a registered trademark of Zexel Torsen, Inc. **42.** Preliminary mileage estimates determined by Lexus. EPA mileage estimates not available at time of publishing. Actual mileage will vary. **43.** For accessories purchased at the time of new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles, from the vehicle's sale date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. **44.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **45.** This floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with its fasteners, each liner must be secured with its fasteners. Do not install a floor liner on top of an existing floor liner. **46.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. **47.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **48.** Genuine Lexus Paint Protection Film by 3M[™] is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes and/or shown with options. Actual models may vary. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
