

2022 GX

Can a touchscreen also be
a window to your world?

Can off-road technology
make paved roads more enjoyable?

Can you feel at home
when you're miles away from it?

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2022 Lexus GX

GX 460

Timeless SUV strength meets driver-inspired innovations with the 2022 GX. It boasts a new 10.3-inch touchscreen and added connectivity like Android Auto™¹ integration. Built to explore, it features camera technology that enhances both off-road² and on-road capabilities, a powerful V8 engine and full-time four-wheel drive. Crafted inside and out from its contemporary front fascia to its distinctive interior trims, this is the epitome of rugged refinement.

GX shown in Atomic Silver

GX shown in Starfire Pearl³

In addition to the 40/20/40-split second-row seats, the driver and front passenger enjoy 10-way power seats with lumbar adjustability. The third-row seats prove generous and convenient, as the seating folds flat into the cargo-area floor manually, or, when equipped, with the press of a button. And a tilt-and-slide second-row seat feature simplifies passenger-side access to the third row. Available heated and ventilated front seats, heated outboard second-row seats and three-zone climate control offer additional indulgence.

GX shown with Ecu semi-aniline leather interior trim and available captain's chairs⁴

GX shown in Black Onyx

GX shown in Black Onyx

GX shown in Nebula Gray Pearl

Step into the reimagined interior and discover a window to your world through the new pinch- and zoom-enabled 10.3-inch touchscreen. With just a simple tap, this high-resolution display provides access to your favorite iPhone® apps via new features such as Apple CarPlay® integration. Lexus Enform® offers concierge-level convenience, allowing you to receive destination assistance, start your vehicle remotely using your smartwatch and more. All while advanced camera technologies help provide greater visibility via the main display, for added peace of mind.

CRAFTED TO CONNECT

With new innovations like a pinch- and zoom-enabled touchscreen and the added convenience of Apple CarPlay integration, this is the most advanced GX ever.

GX shown with Apple CarPlay integration and Ecu semi-aniline leather and Gray Sapele wood with Aluminum interior trim

GX shown with Android Auto integration and Linear Espresso Wood with Abyss Black interior trim

SEE MORE. DO MORE.

With advanced camera technology and added conveniences such as Android Auto to help keep you connected at every turn, the GX offers a new perspective on exploration.

ANDROID AUTO

With Android Auto,^{TM1} you can now seamlessly cast your device's interface onto the vehicle's multimedia display. Play your music via your favorite apps such as Spotify^{®10} and Pandora[®], send messages through a range of commonly used apps like WhatsApp^{®11}, navigate with Google Maps,¹² and request information—all with your voice. Just say "Hey Google" to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

APPLE CARPLAY

With Apple CarPlay^{®6} integration, you can access the same familiar interface from your iPhone through the vehicle's touchscreen multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,^{®13} and get access to your favorite apps like Waze,TM Spotify and Apple Audiobooks.^{TM14}

ALEXA

Bring all the convenience of Alexa¹⁵ on the road with the Lexus app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music, make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices¹⁶ such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System.¹⁷

PANORAMIC VIEW MONITOR

Designed to help drivers avoid potential obstacles and make parking more convenient, the available Panoramic View Monitor,¹⁸ with wide front view and side view, uses four high-resolution cameras to create a composite image of the vehicle's near surroundings. It can be paired with backup view¹⁹ or wide back view¹⁹ to assist with parking and maneuvering in hard-to-see areas in real time.

LEXUS ENFORM

Accessed through the convenient new touchscreen display, Lexus Enform⁷ elevates connected technology and provides concierge-level convenience. From emergency assistance and available onboard Wi-Fi^{TM20} to the ability to start your engine remotely⁹ using your smartphone, smartwatch, the Lexus Skill for Alexa, or the Lexus Action on Google, our premium suite of connected technology offers peace of mind with every drive.

LEXUS APP

Manage your vehicle on the go with the Lexus app. You can do everything from starting your vehicle remotely with your smartphone to scheduling a service appointment with a few simple taps, and much more. The Lexus app is available for download from the Apple App Store^{®21} or Google PlayTM store.²²

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®23} Learn more about these services at lexus.com/specialists.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+, an integrated suite of the most advanced standard active safety equipment ever offered on the GX.²⁴

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

This system²⁵ is engineered to help detect a vehicle or a pedestrian in the path of your Lexus under certain conditions. Should it detect a potential frontal collision, it's designed to automatically prepare Brake Assist²⁶ for increased brake force and, in some cases, can even automatically brake to help mitigate or avoid a collision.

LANE DEPARTURE ALERT

This system²⁷ utilizes a high-resolution camera to monitor visible lane markings and determine the vehicle's position within a lane. If an inadvertent lane departure is detected at speeds above 32 mph, the system attempts to alert the driver with audible and visual warnings and steering-wheel vibrations.

HIGH-SPEED DYNAMIC RADAR CRUISE CONTROL

This system²⁸ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. If you get closer than the preset distance, the throttle is automatically reduced and the brakes may be applied. As soon as the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams²⁹ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

LEXUS SAFETY SYSTEM +

GX shown in Claret Mica

Embracing a sophisticated design all its own, the muscular GX features an imposing stance, a modern front fascia with Premium Triple-Beam LED headlamps, available 19-inch wheels and more. Feel at home in unparalleled craftsmanship, bold details and a striking balance of comfort and capability from a luxury utility vehicle that exceeds all expectations.

DESIGNED TO CAPTIVATE

From contemporary craftsmanship to evocative illumination, the 2022 GX leaves an unforgettable impression.

GX shown in Atomic Silver

EVOCATIVE AT EVERY GLANCE

With distinctive trims and sophisticated refinements, every detail is crafted to enhance the driving experience.

Every GX comes from the hands of masters. The interior leather trim is carefully selected from around the world, and only a fraction is considered worthy. The available semi-aniline leather trim, offered in a striking Rioja Red, is dyed all the way through, unlike leathers with conventional surface dyes. A higher grade of leather must also be used, since imperfections cannot be hidden. The available Gray Sapele wood trim adds another level of refinement. It marries the natural expression of fine wood with the clean sophistication of brushed aluminum by layering the juxtaposing materials—laser technology engraves the wood surface to reveal the delicate metallic lines underneath. With an intuitive, three-spoke steering wheel featuring convenient controls, plus an available three-zone climate control to personalize temperature settings, the 2022 GX provides a memorable first-class experience.

GX shown with Sepia semi-aniline leather and Gray Sapele wood with Aluminum interior trim

SOUND THAT STIRS THE SENSES

MARK LEVINSON AUDIO

While most audio systems are adapted to and installed in a vehicle after it's produced, Mark Levinson^{®30} technicians work alongside Lexus engineers from the outset of the development process. That's why the GX features a dynamic soundstage uniquely fitted to the cabin. With the ability to now stream your favorite songs from Amazon Music,¹⁵ Spotify, Pandora and more, you can listen to music in its purest and highest fidelity—and even experience the arrangement of individual instruments and performers, to more accurately express the artist's original intent. The available Mark Levinson Premium Surround Sound Audio System features 17 speakers and 330 watts of maximum power. The resulting audio experience immerses the cabin in multidimensional sound that was once reserved for six-figure home audio systems.

17

audio system

ENGINEERED TO CONQUER

Remarkable capability and responsiveness make nearly every terrain yours for the taking.

Experience the luxury utility vehicle that combines rally-proven off-road² performance and responsive on-road handling, to boldly take on adventures of all kinds. With an intelligent V8 engine, a robust towing capacity³¹ and full-time four-wheel drive, the 2022 GX offers high strength in high style.

GX shown in Starfire Pearl³

POWER. POISE.

Experience peak performance on any road with a highly advanced suspension system unlike any in its class.³²

Utilizing technology proven in FIA World Rally Championship competition, the Kinetic Dynamic Suspension System is designed to automatically act on the front and rear stabilizer bars to vary the degree of roll stiffness depending upon road conditions. This system not only improves on-road handling and ride comfort, it allows for greater suspension travel and articulation off-road² so that the vehicle remains remarkably level, making all roads more enjoyable.

ON-ROAD

The system is designed to automatically optimize the stabilizer bars to increase agility and reduce body lean, especially while cornering.

OFF-ROAD

The stabilizer bars are designed to automatically loosen in off-road scenarios for greater wheel articulation while crawling over rocks and navigating uneven terrain.

6,500-LB TOWING CAPABILITY

Engineered to accommodate almost any excursion, the GX is capable of towing up to 6,500 pounds,³¹ thanks to a solid body-on-frame construction and a 4.6-liter V8 with 329 lb-ft of torque³³ at low engine speeds. Taking a smart approach to strength, Trailer Sway Control³⁴ helps detect and prevent excessive trailer movement. To help reduce sway, braking is applied independently to each wheel, and the throttle is moderated to help reduce vehicle speed. For added peace of mind, a flashing indicator alerts the driver when the system is taking corrective measures.

329
lb-ft of torque

GX shown in Atomic Silver

GX shown in Nightfall Mica

COMMAND THE CITY

With a variety of on-road technologies, the 2022 GX conquers perhaps the most challenging terrain of all for utility vehicles: the city. The available Adaptive Variable Suspension system monitors and adjusts the electronically controlled shock absorber settings of each wheel according to driving conditions or personal preference. The Torsen^{®35} torque-sensing limited-slip center differential efficiently distributes engine power between the front and rear axles to help optimize traction. And when navigating some of the most challenging city-driving scenarios, the GX also features Downhill Assist Control³⁶ to help keep the vehicle at a slow, constant descent speed and prevent the wheels from locking up, while Hill-start Assist Control³⁶ helps you feel secure when ascending from a stop by applying the brakes to all four wheels until the vehicle begins moving forward.

MASTER THE POSSIBILITIES

Experience next-level adventures with advanced technologies that take on nearly any road.

In addition to full-time 4WD, commanding performance reaches a new peak with the available Off-Road Package. Multi-Terrain Select allows you to choose from multiple surfaces such as loose rocks, mud and sand, moguls and more to optimize drivability. And for greater visibility to match, the Multi-Terrain Monitor³⁷ works with Multi-Terrain Select to display a variety of distinct camera views, including a convenient under-vehicle view. The 2022 GX also offers a Crawl Control³⁸ system that features five speed modes. Activated with the simple push of a button, it helps automatically maintain an optimal slow and steady pace over challenging terrain. And to give the most avid off-road² driver peace of mind, the package even features a transmission-oil cooler and a fuel-tank protector.

UNDER VIEW

Useful when traversing rocks or moguls, this view³⁷ displays the terrain and tire location underneath your vehicle.

MULTI-TERRAIN MONITOR

SIDE VIEW

When your excursion leads you into tight spaces, this view³⁷ allows you to clearly see the areas to the left and right of your vehicle.

FRONT VIEW

This view³⁷ displays both the front panoramic and overhead views to give you a 360-degree perspective of your vehicle.

REAR VIEW

When you put the vehicle in reverse, the backup camera¹⁹ and overhead views³⁷ are shown on the multimedia display in full color with dynamic gridlines to help you avoid obstacles.

GX shown in Nebula Gray Pearl

GX STYLES

GX

Standard features on every GX:

- Body-on-frame construction
- Premium Triple-Beam LED headlamps
- Rear seat reminder
- Navigation System¹⁷ with 10.3-in high-resolution touchscreen multimedia display and Remote Touchpad³⁹
- Bluetooth^{®40} and USB⁴¹ smartphone connectivity
- SiriusXM^{®42} Satellite Radio. SiriusXM All Access three-month trial included.
- Lexus Enform Destination Assist⁸ Included for the first three years of ownership.
- Lexus Enform Dynamic Navigation⁴³ Included for the first three years of ownership.
- Dynamic Voice Command⁴³
- Lexus Enform Safety Connect⁴⁴ and Service Connect⁴⁵ Included for the first three and 10 years of ownership respectively.
- Lexus Enform Wi-Fi²⁰ 4GB/three-month trial included.
- Lexus Enform Remote⁹ Accessible via Lexus app; works with Alexa¹⁵ and Hey Google.¹² Included for the first three years of ownership.
- Lexus app (Enform Remote⁹ engine start, service scheduling, Vehicle Health Reports/Alerts, and more)
- Four USB⁴¹ ports (two front/two rear)
- Apple CarPlay^{®6} integration
- Alexa¹⁵ compatibility
- Android Auto^{™11} integration
- SmartAccess^{46,47} with push-button Start/Stop
- 10-way power-adjustable front seats
- Reclining, sliding middle-row seats with 40/20/40-split seatback
- Fold-flat third-row seats
- Dual-zone climate control with interior air filter
- Lexus Memory System
- Heated power-folding outside mirrors
- Power moonroof
- Privacy glass
- Illuminated running boards
- Intuitive Parking Assist⁴⁸
- Lexus Safety System+²⁴ (Pre-Collision System with Pedestrian Detection,²⁵ Lane Departure Alert,²⁷ High-Speed Dynamic Radar Cruise Control²⁸ and Intelligent High Beams²⁹)
- Blind Spot Monitor⁴⁹ with Rear Cross-Traffic Alert⁵⁰
- 10 standard airbags⁵¹
- Trailer Sway Control³⁴
- Backup camera¹⁹
- Complimentary maintenance services.⁵² (Please refer to the *Warranty and Services Guide* for details.)

GX PREMIUM

Includes GX features, plus:

- Gray Sapele wood with Aluminum trim
- LED foglamps
- Rain-sensing windshield wipers
- Windshield wiper de-icer
- Heated and ventilated front seats
- Heated second-row outboard seats
- Three-zone automatic climate control with interior air filter

GX LUXURY

Includes GX Premium features, and adds or replaces:

- Headlamp washers
- Adaptive Variable Suspension
- Auto-leveling Rear Air Suspension
- Semi-aniline leather interior trim
- Power third-row seats
- Cargo-area tonneau cover
- Illuminated door scuff plates
- 19-in split-six-spoke alloy wheels with Gray and machined finish

PACKAGES

PREMIUM PLUS PACKAGE

Includes GX Premium features, plus:

- Mark Levinson^{®30} 17-speaker, 330-watt Premium Surround Sound Audio System
- Power third-row seats

PREMIUM PLUS PACKAGE WITH CAPTAIN'S CHAIRS

Includes GX Premium Plus features, plus:

- A Second-row captain's chairs⁴

MARK LEVINSON PREMIUM SURROUND SOUND AUDIO PACKAGE (GX PREMIUM, GX LUXURY)

- B Mark Levinson 17-speaker, 330-watt Premium Surround Sound Audio System

SPORT DESIGN PACKAGE (GX LUXURY)

- 19-in split-six-spoke alloy wheels with Dark Gray and machined finish
- Sport Design front fascia with Dark Gray finish
- Lower grille surround with Satin Chrome finish
- Sport Design mirrors
- Exhaust tip with Gunmetal Metallic finish
- Sport Design rear valance with Dark Gray finish
- Scarlet taillamps
- Second-row captain's chairs⁴

OFF-ROAD PACKAGE (GX LUXURY)

- C Panoramic View Monitor¹⁸ with Multi-Terrain Monitor³⁷
- Transmission-oil cooler
- Fuel-tank protector
- Crawl Control³⁸
- Multi-Terrain Select

OPTIONS

- Panoramic View Monitor¹⁸ with Multi-Terrain Monitor³⁷ (GX Luxury)
- Heated and ventilated front seats (GX)
- Wood- and leather-trimmed heated steering wheel (GX Premium)
- Headlamp washers (GX, GX Premium)
- Cargo-area tonneau cover (GX, GX Premium)

DISCLOSURES

WARRANTY Four-year/50,000-mile Lexus Limited Warranty, Six-year/70,000-mile Powertrain Warranty, Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *GX Warranty and Services Guide* at your Lexus dealer for details.

1. To use Android Auto on your audio display, you'll need an Android Auto-compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof/>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. **2.** The GX 460 is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Lexus encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **3.** Starfire Pearl available for an additional charge. **4.** Up to six passengers can be accommodated with the captain's chairs available on the GX 460 Premium and the GX 460 Luxury. **5.** iPhone is a registered trademark of Apple Inc. All rights reserved. **6.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay[®] functionality requires a compatible iPhone[®] connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc. **7.** Lexus Enform services depend on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See lexus.com/enform for details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. **8.** Destination Assist depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **9.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Lexus Enform Remote depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Lexus app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Lexus Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **10.** Spotify is a registered trademark of Spotify Technology Holding. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. Always drive safely and obey traffic laws. **11.** WhatsApp is a registered trademark of WhatsApp Inc. **12.** Google and Google Maps are trademarks of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to lexus.com/enform. To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **13.** Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Use Apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc. **14.** Apple Audiobooks is a trademark of Apple Inc. All rights reserved. Waze and Waze logo are registered trademarks of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **15.** Amazon, Alexa, Amazon Music and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Password required to Start/Stop Engine or Lock/Unlock Door. When using Alexa to Start/Stop Engine or Lock/Unlock Door, do so only if aware of circumstances surrounding vehicle and it is legal and safe to do so. Do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus app and Lexus+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Music services may require separate subscription. Apps and services subject to change at any time without notice. To learn more, go to www.lexus.com/enform. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. **16.** Certain Alexa functionality is dependent on smart home technology. Skills and services subject to change at any time without notice. **17.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **18.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **19.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **20.** Eligible vehicle and wireless service required. Enform Wi-Fi depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to atm.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **21.** Apple and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. **22.** Google Play is a registered trademark of Google LLC. **23.** Face Time is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **24.** Lexus Safety System+ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **25.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **26.** Brake Assist is designed to help the driver take advantage of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See *Owner's Manual* for additional limitations and details. **27.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **28.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **29.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **30.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **31.** Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. If gross trailer weight is above 5,000 lb (2,268 kg), it is necessary to use a weight-distributing hitch with sufficient capacity. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer-hitch manufacturer and vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and available equipment. See *Owner's Manual* for limitations. **32.** 2022 GX vs. 2021/2022 competitors. Information from manufacturers' websites as of 2/19/2021. **33.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **34.** Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **35.** Torsen[®] is a registered trademark of JTEK Torsen, Inc. **36.** Downhill Assist Control is designed to help the driver maintain vehicle control and speed on steep downhill descents, and Hill-start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect the ability of DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations and details. **37.** The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See *Owner's Manual* for additional limitations and details. **38.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. **39.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **40.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **41.** May not be compatible with all mobile phones, MP3/WMA players and like models. **42.** SiriusXM[®] audio services require a subscription sold separately by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at the current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2020 SiriusXM Radio Inc. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc. **43.** Dynamic Navigation and Dynamic Voice Command are dependent on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **44.** Safety Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Lexus app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **45.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **46.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **47.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.loa.org to find a qualified locksmith in your area who can perform high-security key service. **48.** Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **49.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **50.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **51.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **52.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **53.** Projected EPA-estimated MPG, determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **54.** All Accessories (Genuine Lexus and F SPORT[™]) installed at the time of retail vehicle delivery are warranted for the same time as the new vehicle warranty (48 months/50,000 miles). Accessories purchased after retail vehicle delivery and installed by an authorized Lexus dealer are warranted for 12 months from date of purchase or installation, regardless of mileage, or the remainder of any applicable new-vehicle limited warranty, whichever is greater. Accessories purchased over the counter are covered for 12 months from the date of purchase. For all Accessories, refer to your accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. **55.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **56.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **57.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **58.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **59.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **60.** Lexus Universal Tablet Holder is intended for passenger only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **64.** Headphones are for passenger use only.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at the time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, showing visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seats, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
