

2024

LX

Can rocket science make a seat more comfortable?

Can technology be so intuitive that more of it feels like less?

Can having the best of all worlds lead you to discover more of yours?

To craft the most amazing machines, you don't start with machines at all. You start with people.

## The 2024 Lexus LX

### LX

Engineered to elevate the driver and drive to unprecedented heights, this is the definitive chapter of flagship luxury. In addition to boasting a powerful 409-horsepower<sup>1</sup> twin-turbo engine, its chassis delivers superior agility on-road, and a full-time four-wheel drive system provides impressive capability off-road.<sup>2</sup> Inside, Lexus Interface<sup>3</sup> features a combined 19.3 inches of touchscreen access to wireless Apple CarPlay<sup>®4</sup> integration, vehicle information and more.

### LX PREMIUM

Take the agile on-road handling of the LX to the next level with an Adaptive Variable Suspension. The contemporary LX interior is also enhanced with customizable Thematic Ambient Illumination and seating for seven. In addition to the standard heated leather-trimmed steering wheel in every LX, comfort is made more personal with heated and ventilated front seats, and heated second-row outboard seats. And, for added convenience, the LX Premium features a Power Rear Door with Kick Sensor<sup>5</sup> and third-row seating that folds flat with the press of a button.

### LX LUXURY

Building upon the LX Premium, the LX Luxury commands attention with 22-inch forged wheels with machined finish and rewards you and your passengers with seating trimmed in soft semi-aniline leather and ventilated second-row outboard seats. The 25-speaker Mark Levinson<sup>®6</sup> Reference Surround Sound audio system enables you to unlock a deeper appreciation of music. While one-touch auto-arrange power-folding seats and an auto door closer make everyday tasks effortless.

### LX F SPORT HANDLING

The LX F SPORT Handling pairs provocative style with exhilarating handling. Inside, bolstered F SPORT seats and race-inspired details can be found throughout. Outside, striking front and rear fascia designs are punctuated by exclusive head-turning 22-inch forged F SPORT wheels with Dark Gray Metallic finish. Of course, style is only one way to turn heads. An exclusive Torsen<sup>®7</sup> limited-slip differential, front and rear performance dampers, and available Active Height Control combine to deliver the most thrilling on-road performance of any LX to date.

### LX ULTRA LUXURY

Experience the epitome of craftsmanship for the senses. An intelligent suspension with Active Height Control provides an invigorating and refined ride. Inside, a Lexus-exclusive four-seat configuration indulges with massaging rear-seat captain's chairs that recline up to 48 degrees.<sup>8</sup> Trimmed in diamond-stitch semi-aniline leather, they also feature world-class accommodations, including a power-retractable ottoman,<sup>8</sup> personal tray table, wireless charger,<sup>9</sup> and a Digital Rearview Mirror that helps provide an obstruction-free view of what's happening behind your LX.

LX Luxury shown in Atomic Silver (left), LX Ultra Luxury shown in Manganese Luster<sup>10</sup> (center) and LX F SPORT Handling shown in Ultra White<sup>10</sup> (right)

LX Luxury shown in Atomic Silver

When compromise is not an option and the driver is all that matters, this is the result. Delivering the ultimate in strength and refinement, a robust platform serves as the foundation for five distinct and stunning models of the LX. Purposefully designed for those who recognize that the true measure of style is the substance beneath, the LX features a dramatically sculpted hood and Premium Triple-Beam LED headlamps—to help enhance visibility. Its distinctive grille design optimizes cooling performance. And the sleek, full-width Blade Taillamp isn't just captivating—its brilliance ensures that the LX always stands out.

## THE DEFINITIVE STANDARD OF LUXURY

Thoughtfully engineered to elevate your driving experience to unprecedented heights, this is our uncompromising vision of flagship luxury.

LX Ultra Luxury shown with Black semi-aniline leather and *Takanoha* Wood interior trim

## INCOMPARABLE INDULGENCE

*With the four-seat LX Ultra Luxury, the next luxury icon has been born.*

While every aspect of the spacious LX interior was designed to reward the senses, the LX Ultra Luxury offers the epitome of world-class comfort. It's comfort that could only come by looking somewhere outside of the world itself. Using NASA research on neutral body posture in certain zero-G applications, Lexus crafted the reclining captain's chairs and ottoman<sup>8</sup> to position and hold passengers in their natural, relaxed state.

Impeccable craft continues throughout. Beyond their uniquely contoured headrests, the seatbacks have specially engineered cushions to absorb vibrations, while providing support uniquely optimized for each part of the body. Intuitive technology embodies the ultimate in gracious hospitality, with a digital control panel that lets you personalize your seating position and then saves your preferences. Rear-seat entertainment displays can fold out of view when not in use. Even the air is made more accommodating. An advanced climate system with strategically placed vents, including in the ceiling, showers rear-seat occupants with soothing air set to their preferred temperature. This is luxury unlike anything you've ever seen or felt.

LX F SPORT Handling shown in Ultra White<sup>10</sup>

## LX F SPORT HANDLING

Command attention and the road with the LX F SPORT Handling. Forging a more visceral connection, unique tuning optimizes the LX's low center of gravity for greater agility and boasts a Torsen<sup>®</sup> limited-slip differential for further enhanced cornering, traction and straight-line stability. Lower and more dynamic front and rear fascias pair head-turning style with optimized aerodynamics. An exclusive black mesh grille takes the signature F SPORT grille design even further by enhancing cooling performance. And exclusive 22-inch forged F SPORT wheels punctuate its athletic stance while keeping unsprung weight low for precise handling.

The distinctive design continues inside, where you'll find exclusive F SPORT upgrades, including performance-inspired instrumentation. F SPORT front seats are engineered to grip you through high-G turns and feature enhanced bolsters and badged headrests. And for added distinction at every touchpoint, you'll find a perforated leather-trimmed sport steering wheel and shift knob, aluminum pedals and more.

## GET AWAY FROM IT ALL AND TAKE IT ALL WITH YOU

Discover uncharted spaces in a spacious interior filled with thoughtful accommodations. From available power fold-flat third-row seating to automated seating configurations that offer more space for more spontaneity, the LX offers the adventurer everything but compromise.

### FOLD-FLAT THIRD ROW

Power-folding 50/50-split third-row seats can be reclined for added comfort when in use and folded flat into the floor when more space is needed. For fast, convenient access to a more expansive cargo area,<sup>1</sup> simply press the button adjacent to the rear door to automatically fold or unfold the seats.

### AUTO-TUMBLE SECOND ROW

Enjoy seamless access to and from the third-row seats. Pressing a button on the second-row shoulder temporarily moves the driver's seat forward while the second-row seats automatically tumble forward and out of the way.

### AUTO-ARRANGE FUNCTIONALITY

With just the press of a single button, this available feature enables you to configure all the seating automatically to provide maximum cargo space. First, the front seats temporarily move forward, then both second and third rows fold down.

LX Luxury shown with Palomino semi-aniline leather and Brown Open-Pore Wood interior trim

# A BOLD PARADIGM OF PERFORMANCE

When superior on-road agility combines with off-road capability and confidence, a new world of possibilities unfolds.

Crafting a driving experience around the driver's senses means there is no meeting halfway. It means going all in on a powerful, twin-turbocharged engine. Engineering a lightweight platform with a low center of gravity, and pairing it with a strong, rigid frame. And developing handling systems to make every road, or off-road,<sup>2</sup> more exhilarating than ever. It's the best of all worlds, crafted for one purpose: to empower you to discover more of yours.

LX F SPORT Handling shown in Ultra White<sup>10</sup>

## **PURE POWER.** *PURE EXHILARATION.*

*Pairing the strength of a twin-turbo V6 with the agility of a handling system so advanced it changes with every curve, the LX empowers like no other.*

### **TWIN-TURBOCHARGED V6**

Elevating performance on every road, the LX features a twin-turbocharged V6 that delivers 409 horsepower<sup>1</sup> with 479 lb-ft of torque<sup>1</sup> for instantaneous power. Its 10-speed Direct-Shift automatic transmission is designed to select the optimal gear for every condition. And with Trailer Sway Control<sup>12</sup> and an impressive 8,000-lb towing capacity,<sup>13</sup> this world-class flagship is primed and ready for even more possibilities.

### **ACTIVE HEIGHT CONTROL**

Offering four unique height settings, the available Active Height Control system takes the driving experience further. On rough roads, this system partners with off-road<sup>2</sup> driving functions to make height adjustments to each individual wheel, allowing for greater wheel articulation to help you confidently overcome difficult terrain. At highway speeds, the system defaults to a lower center of gravity for optimized stability and handling. By integrating both the front and rear suspensions, the system can even detect a sharp turn of the steering wheel as you enter a curve and automatically respond to help reduce body roll.

### **ENHANCED ON-ROAD AGILITY**

Responding to drivers as well as the road, the available driver-selectable Adaptive Variable Suspension offers improved response to changing driving situations, thanks to more instantaneous damping force. This smoother and more precise control results in enhanced ride comfort and more ideal composure throughout the cabin, even reducing rocking of the vehicle when traversing rough terrain. Adding further refinement to the driving experience is the LX's electronic power-assisted steering, which helps optimize steering response at both high and low speeds.

### **LEXUS SAFETY SYSTEM+ 2.5**

Peace of mind comes standard with this suite of standard active safety equipment and convenience features.<sup>14</sup> It includes Pre-Collision System with Pedestrian Detection,<sup>15</sup> Lane Departure Alert with Steering Assist,<sup>16</sup> All-Speed Dynamic Radar Cruise Control<sup>17</sup> and more.

**8,000-lb**  
towing capacity with Trailer Sway Control

LX Luxury shown in Eminent White Pearl<sup>10</sup>

## ENGINEERED FOR ADVENTURE

*Pushing the boundaries of off-road capability, the only question is: Where will you go first?*

### MULTI-TERRAIN SELECT

An innovative Multi-Terrain Select system provides more integrated control of the drive force and suspension, further enhancing off-road<sup>2</sup> capability and control over varied landscapes. The operating range of controls has been optimized for use on a wide variety of terrains, from snow-covered roads to intensive off-road driving. And Auto mode can select the optimum mode using sensors combined with the driver's braking and throttle inputs.

### CRAWL CONTROL WITH TURN ASSIST

Activated with just the press of a button, Crawl Control<sup>18</sup> with Turn Assist is designed to automatically maintain an optimal slow and steady pace over challenging terrain. It can also tighten your turning radius by adding brake force to the inside rear wheel, to help keep you going when the going gets tough.

### FULL-TIME FOUR-WHEEL DRIVE

The Torsen<sup>®</sup> torque-sensing limited-slip center differential with electronic differential lock efficiently distributes engine power between the front and rear axles, optimizing traction in a wide variety of conditions. Four-wheel Active Traction Control helps keep you on course and feeling secure by using sensors to detect and help prevent wheel slippage.

LX Luxury shown with Black semi-aniline leather and Black Open-Pore Wood interior trim (left); LX interior shown with Apple CarPlay<sup>4</sup> integration for iPhone<sup>4</sup> (right)

The greatest technology is that which takes the least effort to understand—technology so intuitive that having more of it actually feels like less. Case in point: Lexus Interface<sup>3</sup> seamlessly connects you via touchscreen—or voice—to the many benefits of an active Drive Connect<sup>19</sup> trial or subscription. Its Intelligent Assistant feature gets smarter over time, and Cloud Navigation offers more accurate directions. Lexus Interface also wirelessly integrates with Apple CarPlay<sup>4</sup> for your iPhone<sup>®</sup>, or Android Auto<sup>™20</sup> for your Android<sup>™</sup> phone. It's the convenience of more than 19 inches of screen access, including a lower display that's designed to inform, not distract. The product of relentless imagination and human-centered design, this is technology as it should be.

## AN ADVANCED DEFINITION OF CONNECTIVITY

Experience next-generation technology so intuitive and personal, it feels like an extension of you.

## SEE AND DO MORE. EVEN WHILE INSIDE.

*Designed for the senses, the LX offers the pinnacle of thoughtful convenience and impeccable refinement.*

### LEXUS INTERFACE

Lexus Interface<sup>3</sup> connects you like never before. Among the benefits of an active Drive Connect<sup>19</sup> trial or subscription, Intelligent Assistant lets you use everyday, casual speech to control most in-car features. Cloud Navigation offers more accurate directions and can provide real-time route information. And the Profiles<sup>3</sup> feature allows different drivers to create personalized settings that can go from vehicle to vehicle.

LX Ultra Luxury shown with Sunflare semi-aniline leather and *Takanoha* Wood interior trim

### MULTI-TERRAIN MONITOR

For greater visibility during off-road<sup>2</sup> excursions, the advanced Multi-Terrain Monitor uses the upper display to show a variety of distinct camera views from under the vehicle to keep the driver informed. The innovative Underfloor View and Back Underfloor View provide images of the area underneath the vehicle and around the rear wheels. While the lower display shows pertinent information like throttle inputs, vehicle tilt and more.

### MARK LEVINSON REFERENCE SURROUND SOUND

Unlock a deeper appreciation of sound and experience music in its highest fidelity with available Mark Levinson<sup>®</sup> Reference Surround Sound. Boasting 2,400 watts and 25 speakers meticulously positioned throughout the cabin, this bespoke system envelops you in a three-dimensional soundscape that's crafted by the same masters who engineer six-figure home audio systems.

### REAR-SEAT ENTERTAINMENT SYSTEM

The LX Ultra Luxury features a dual-screen Rear-Seat Entertainment System<sup>21</sup> that enables two video sources to be viewed at the same time on the 11.4-inch LCD screens—with individual or mirrored screens—that fold out of view when not in use. For added convenience, an HDMI port is included with the two standard USB<sup>22</sup> charging ports in the back of the center console.

### DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.<sup>®</sup> Learn more about these services at [lexus.com/specialists](https://lexus.com/specialists).

# LX STYLES

## LX

Standard features:

- 20-in alloy wheels with machined finish
- Panoramic View Monitor<sup>23</sup>
- Multi-Terrain Monitor
- Lexus Interface<sup>3</sup> with 12.3-in touchscreen display
- Safety Connect<sup>3</sup> with up to 10-year trial\*
- Service Connect<sup>3</sup> with up to 10-year trial\*
- Remote Connect<sup>3</sup> 3-year trial\*
- Wi-Fi Connect<sup>3</sup> (AT&T hotspot) with up to 30-day/3GB trial\*
- Drive Connect<sup>3</sup> with Cloud Navigation, Intelligent Assistant and Destination Assist 3-year trial\*
- Lexus app (Remote Connect<sup>3</sup> trial with vehicle start, service scheduling, Vehicle Health Reports/Alerts<sup>3</sup> and more)
- Wireless Apple CarPlay<sup>®4</sup> integration
- Wireless Android Auto<sup>™20</sup> compatibility
- SiriusXM<sup>®24</sup> 3-month Platinum Plan trial subscription
- 10-speaker Premium Sound System
- Wireless charger<sup>9</sup>
- Bluetooth<sup>®25</sup> and USB<sup>22</sup> smartphone connectivity
- Four USB<sup>22</sup> ports
- 8-in LCD multi-information display
- Five-passenger leather seating
- Heated, leather-trimmed steering wheel
- Headlamp washers
- Premium Triple-Beam LED headlamps
- Blade Taillamp
- Windshield wiper de-icer
- Heated front seats
- Power rear door
- Power tilt-and-slide moonroof
- Auto-dimming rearview mirror with HomeLink<sup>®26</sup> system
- 8,000-lb towing capacity<sup>13</sup>
- Lexus Safety System+ 2.5<sup>14</sup>
- Blind Spot Monitor<sup>27</sup>
- Intuitive Parking Assist with Auto Braking<sup>28</sup>
- Complimentary maintenance services<sup>29</sup> (Please refer to the *Warranty and Services Guide* for details.)

\*4G network dependent

## LX PREMIUM

Includes LX features, and adds or replaces:

- Adaptive Variable Suspension
- Head-Up Display
- Thematic Ambient Illumination
- Seven-passenger seating
- Power fold-flat third-row seats
- Heated and ventilated front seats and heated second-row outboard seats
- Power Rear Door with Kick Sensor<sup>5</sup>
- Six USB<sup>22</sup> ports

## LX LUXURY

Includes LX Premium features, and adds or replaces:

- 22-in forged alloy wheels with machined finish
- One-touch auto-arrange power-folding seats
- Semi-aniline leather-trimmed seating
- Ventilated second-row outboard seats
- Rear-seat manual sunshades
- Mark Levinson<sup>®6</sup> 25-speaker, 2,400-watt Reference Surround Sound
- Cool box
- Auto door closer
- Illuminated door sills

## LX F SPORT HANDLING

Includes LX Premium features, and adds or replaces:

- 22-in forged F SPORT wheels with Dark Gray Metallic finish
- F SPORT-tuned suspension
- Torsen<sup>®7</sup> limited-slip differential
- F SPORT front fender badges
- F SPORT front fascia and mesh grille insert
- F SPORT rear bumper with rear valance
- F SPORT semi-aniline leather-trimmed seats
- F SPORT perforated leather-trimmed heated steering wheel
- F SPORT aluminum pedals
- Illuminated door sills
- Cool box
- Rear stabilizer bar
- Performance dampers

## LX ULTRA LUXURY

Includes LX Luxury features, and adds or replaces:

- 22-in forged alloy wheels with Silver finish
- Active Height Control
- Rear-Seat Entertainment System with dual 11.4-in screens<sup>21</sup>
- Rear-seat wireless charger<sup>9</sup>
- Digital Rearview Mirror
- Second-row captain's chairs
- Power right-rear ottoman<sup>8</sup>
- Diamond-stitch seats with embossed headrests
- Rear massaging seats
- Reclining rear seats<sup>8</sup> (up to 48 degrees)
- Rear-center armrest and table
- Four USB<sup>22</sup> ports

# DISCLOSURES

**WARRANTY** Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *LX Warranty and Services Guide* at your Lexus dealer for details.

**1.** Ratings achieved using required premium unleaded gasoline w/ an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. Horsepower may vary depending on accessories added to vehicle. **2.** The Lexus LX 600 is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Lexus encourages responsible operation to help protect you, your vehicle and the environment. **3.** Lexus Interface Services depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus Interface Services' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real-time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of: 3GB of data is used or 30 days after enrollment. **4.** To wirelessly use Apple CarPlay on your car display, you need a compatible Apple smartphone with an active data plan. You can check which smartphones are compatible at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **5.** Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations. Installation of a tow hitch receiver or other accessories located near the rear bumper or side door kick sensors, may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. **6.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **7.** Torsen® is a registered trademark of JTEKT Torsen, Inc. **8.** Do not recline the lounge chair with ottoman/reclining seats when vehicle is in motion. Reclining the seat might negatively affect the fit of the seatbelt and increase the risk of death or serious injury. See *Owner's Manual* for limitations. **9.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **10.** Eminent White Pearl, Manganese Luster and Ultra White available for an additional charge. **11.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **12.** Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under certain conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for limitations. **13.** Never tow beyond a vehicle's published towing capacities. Installation of a tow-hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Follow all instructions in your *Owner's Manual*. **14.** Lexus Safety System+ effectiveness depends on many factors including road, weather and vehicle conditions. Drivers responsible for paying attention to their surroundings and driving safely. See *Owner's Manual* for limitations. **15.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian, or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for limitations. **16.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. **17.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations. **18.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations. **19.** Cloud Navigation, Intelligent Assistant, and Destination Assist (on select models) require a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://drivers.lexus.com/lexusdrivers/technology/interface> for limitations. To learn about Lexus' connected services data collection, use, sharing and retention practices, visit <https://www.lexus.com/privacy>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **20.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check [g.co/androidauto/requirements](https://lexusconnectedtechnologysupport.com/lexus/home) for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. **21.** Separate DVD player or compatible game system required to use split-screen function. **22.** Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **23.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations. **24.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **25.** A compatible Bluetooth-enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Lexus is under license. **26.** HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation. **27.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. **28.** Intuitive Parking Assist may warn drivers of, and potentially brake for, rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for limitations. **29.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. See *Warranty and Services Guide* for details. For Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **30.** EPA-estimated MPG ratings. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](https://www.fueleconomy.gov). **31.** Accessories may vary by model year, not be available in all regions of the country, or require a special order. Please see your dealer for availability. **32.** For accessories purchased at the time of the new vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new vehicle Basic Warranty. For accessories purchased after the new vehicle purchase and installed by a Lexus dealer the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. **33.** This floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner must be secured with its fasteners. Do not install a floor liner on top of an existing floor liner. **34.** Dashcam may not record under certain conditions. Use in accordance with applicable laws. See dashcam *Owner's Manual* for details. **35.** Genuine Lexus Paint Protection Film by 3M<sup>TM</sup> is designed for specific sections of the vehicle most prone to chipping which may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **36.** Do not overload vehicle and properly secure roof load. See *Owner's Manual* for weight limits and restrictions.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. Lexus Interface display shown may not reflect most recent over-the-air enhancements. See [lexus.com](https://lexus.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. **Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.** Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit [lexus.com](https://lexus.com). To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
